What a pleasure it is to announce the first of what we hope is many “Direct from the Cellar” library wine auctions—hosted by the Napa Valley Vintners and powered by the world’s #1 auction house: Zachys. Before we get into the fine print, we’re going to start with two important notes: there is **NO BUYER’S PREMIUM** on this auction, and all of the lots are fulfilled direct from the participating wineries, which means that if you are a winning bidder, you are allowing Zachys to share your name with the winery that donated the lot(s) you won!

Now that we’ve got that out of the way—a bit about the auction.

The effects of both Covid-19, travel restrictions, restaurant closures and the California wildfires have been difficult on the wine industry, but the NVV’s goals are the same as they’ve been since 1944: to champion Napa as the world’s premier wine region, and to provide leadership in solving community issues in the Napa Valley.

To support the more than 550 members of Napa Valley Vintners, this auction features lots direct from the cellars of Napa Valley’s most prestigious wineries including Harlan Estate, Screaming Eagle, Opus One, Shafer Vineyards, Chappellet, Thomas Rivers Brown, Freemark Abbey, Ovid, Arietta and Stag’s Leap. All of the lots include back-vintage wines, unavailable elsewhere, and many include large format bottles, verticals of multiple vintages, and exclusive tastings (virtually or in person when allowed) of top Napa wines directly with the winemakers.

At Zachys, we love the Napa Valley. We couldn’t be happier to assist with this amazing way to bring California direct to the doorstep of so many of our collector friends throughout the world. And remember—for those of you reading this from abroad, this can be a great opportunity to bring a winemaker into your home—over Zoom, of course!

Have fun bidding in this amazing sale. If you are new to Zachys and have any questions about bidding, email us at auction@zachys.com. If you have any questions about the lots, or about fulfillment email gparrott@napavintners.com. This auction turns into a “live streamed event” at 3pm PST/6pm EST on February 20th. Mark your calendars, and we’ll see you at the auction!

Sincerely,

Zachys & Napa Valley Vintners

Beaulieu Vineyard

Quelle Beau Lieu

In 1900, when Georges de Latour's wife, Fernande, first laid eyes on the land that would become their original Rutherford vineyard, she exclaimed, "Quelle beau lieu!" ("What a beautiful place!")

Shortly thereafter, Georges sold his thriving cream of tartar business, bought the four-acre ranch, and founded Beaulieu Vineyard with the vision of making Napa Valley wines that would rival those of his native France.

Georges and his wife expanded their land holdings over the next several decades, many of which are still part of the BV portfolio today.

Beringer Vineyards

Two Winemakers, Three Decades

It's been more than 150 years since founder Jacob Beringer first set sail from Germany to establish his iconic winery in Napa Valley in 1868. The history of this vaunted winery has come full circle as Jacob's great-great-grandson, Mark Beringer, now stewards the winemaking process.

In between, some highly notable winemakers have passed through the caves, and your lot features three great vintages of Beringer Vineyards Private Reserve Cabernet Sauvignon made by two of them.

Beringer's Private Reserve represents the pinnacle of the winery's portfolio. Former chief winemakers Myron Nightingale and Ed Sbragia created the Private Reserve program in 1977 with the goal of crafting Napa's finest Cabernet Sauvignon.

As the winning bidder, you'll enjoy an historic trio of 3-liters of this Private Reserve, crafted three decades apart, including the 1987 edition—Ed's favorite vintage.

Plus, you will receive six standard bottles of single vineyard Cabernet Sauvignon from Steinhauer Ranch, not normally available on the market. Renamed in 2003 to honor the winery's long-time vineyard manager, Bob Steinhauer, this vineyard lies at about 1,800 feet in elevation. When Beringer first planted the vineyard, the distinctive character of the grapes was immediately evident, and it was selected as a regular part of the Private Reserve blend beginning with the 1993 vintage.

Cakebread Cellars

Benchland Beacon

The Cakebread Cellars team delights in highlighting the personalities of its estate vineyards through gentle approaches in the cellar, so that each unique origin shines through in its top-rated wines.

A shining beacon of this storied winery's portfolio is its Benchland Select Cabernet Sauvignon, and your lot includes two cases of the lustrous 2008 vintage. Your wine was crafted from two exceptional vineyards in Napa Valley's gently sloping western benchlands, including Hill Ranch in the heart of the famed Rutherford nested appellation not far from the winery. Both sites enjoy ideal eastern exposures, well-drained soils and mild afternoon temperatures, resulting in uniform fruit ripening and wines of impressive depth and elegance.

In 2008, 60% of the Benchland Select grapes came from the Hill Ranch, with 40% from the esteemed Oakville nested appellation. The 2008 growing season started with heavy rains in the winter, along with drought conditions and frost in the spring. Coupled with heat during grape set, this reduced the size of the crop, greatly concentrating flavors. The clear and mild summer that year provided ideal conditions for the full maturation of the grapes, with the perfect balance of sugar and acidity. Your resulting wine is full of dark fruit, dark chocolate and supple oak, ending with a long, elegant finish.

Checkerboard Vineyards

The Allure of Aurora

Aurora Vineyard is nestled in a small valley midway up in the Diamond Mountain District on a large knoll located at an elevation of 1,200 feet. The knoll projects off the mountainside, giving the vineyard full southern exposure and open light from the east and west, as well as protection from Napa Valley's summer fog. Six acres of the vineyard are planted in the knoll's rich, volcanic soils that are riddled with basalt cobble in a loamy red clay. The remaining six acres are planted in a deep, gravelly mix of white volcanic ash and chips of decomposed rhyolite that were washed down from the steep, rocky crags of the mountain above.

Your exclusive lot, which has not previously been offered at auction, includes a complete, historic vertical of Checkerboard Aurora Vineyard Cabernet Sauvignon from the 2006 through 2017 vintages in 750ml format.

Cliff Lede Vineyards

Cliff Lede Vineyards was established in 2002 by Canadian-born Cliff Lede following the acquisition of a 60-acre estate in the Stags Leap District of Napa Valley. In 2005, a state-of-the-art, 25,000 sq. ft. winery and cave system were etched into a hillside overlooking the estate vineyards. Not only did Cliff create a beautiful property, but he also assembled an unrivaled team that shares his passion for quality.

Today, winemaker Christopher Tynan crafts Cabernet Sauvignon and Sauvignon Blanc, with the flagship, Poetry Cabernet Sauvignon, sourced from the steep eastern hillside portion of the estate.

David Arthur Vineyards

Elevating a Family Dream

In the 1960s, what is now David Arthur Vineyards was merely raw land without access roads or utilities. On weekends Don Long and his wife, Anne, would hike up roughly 1,000 feet from the Silverado Trail below to picnic under the large oak tree that still stands in the vineyard in front of the winery. While sitting on their blanket enjoying a glass of wine, Don would envision harnessing the hillside's potential to cultivate world-class grapevines.

In 1978, Don's vision came to fruition when he and his 28-year-old son, David Arthur Long, built a small barn and began planting grapevines. The winery's inaugural release was the 1985 vintage, which coincided with the birth year of David's daughter, Laura.

Together with partners Teddy and Paul Bystrowski—Laura's husband and father-in-law, respectively—the family shares the responsibility of guiding the winery into the future for the next generation.

And now they would like to share a very special bottle of wine with you.

As the winning bidder, you'll receive a 9-liter bottle of David Arthur's top estate Cabernet Sauvignon, Elevation 1147. You will also enjoy a virtual tasting of the 2012 vintage from a 750ml bottle with David and winemaker Nile Zacherle. Ted Edwards is one of the longest-tenured winemakers in Napa Valley. With more than 40 vintages at Freemark Abbey, Ted's winemaking brilliance is exemplified in the establishment of two iconic, single vineyard Cabernet Sauvignons from the Bosché and Sycamore vineyards, now encapsulated in your remarkable 10-magnum vertical lot.

You have the rare chance to acquire wines from some of the most treasured and esteemed vintages in Napa Valley winemaking history with magnums from each of these vineyards from 1997, 1998, 1999, 2000 and 2001.

Freemark Abbey has been making Bosché Cabernet Sauvignon since 1970, one of the first vineyard-designated Cabernet Sauvignons in California's history. Located in deep gravelly soil on the western side of the Napa Valley in the Rutherford nested appellation, this vineyard produces wines that express aromas of dark cherry, brambly blackberry and cassis. Cinnamon, clove, aromatic cedar, cigar box and dark cocoa powder round out the complexity in the nose. The flavor is big, voluptuous and elegant with rich dark cherry, good acidity and integrated tannins.

Just a little over a mile south of Bosché is the Sycamore Vineyard, with a slightly different soil composition, one which has more clay content. This vineyard produces wines that are opaque dark ruby in color, expressing black currant, wild blueberry, nuances of blackberry jam on toast, and forest floor in the aroma, with an added Rutherford Dust complexity. There is a strong perception of sweet black cherry and dark plum in the flavor, with good acidity and firm tannin structure.

Howell at the Moon

A Knoll Above the Competition

Howell at the Moon's mission is to offer Cabernet Sauvignon made from the highest quality grapes grown at its vineyard high atop Howell Mountain. Curious? Judge for yourself, as your lot includes two cases each of Knoll Vineyard Cabernet Sauvignon from the 2011, 2012 and 2013 vintages.

Your wine is sourced from a 3-acre vineyard planted in 2004 on a knoll resting 100 feet above the winery's farmhouse and initial plantings. Italics Winegrowers

Old Vines and New Blocks

The 2014 Italics Winegrowers Estate Cabernet Sauvignon was created from blocks of old vines, planted with Napa's tried and true clones. Also in 2014, the winery harvested the first crop of its newer blocks, planted with some heirloom clones. First impressions: the nose is distinctively spicy—nutmeg and clove—an homage to the sophisticated barrel program, which Italics continues to refine.

As the wine opens up, the delicate strawberry compote nose floats to the rim of the glass. The nose is sweet, like smelling a sugar glaze as it is drizzled on a warm spice cake. In the mouth, the texture is like a perfectly brewed cup of Assam tea—warm with just enough tannin to give the palate length and duration.

This is not a heavy, chewy wine. On the contrary, it is built for lasting pleasure. Give this wine some time to open up, and possibly decant it.

The 2014 Italics Estate Cabernet Sauvignon will peak throughout the next 10 years with a wide window for its optimal range. The best news? You can enjoy 24 bottles of this wine, specially commissioned for your lot.

LOT 47

La Jota Vineyard Co.

Historic Howell Mountain Vertical

The La Jota Vineyard Co. winery has deep roots in Napa Valley's winemaking history, dating back to 1898. Today, La Jota proudly carries on this great winemaking tradition by producing small lots of mountain Cabernet Sauvignon, Merlot and Cabernet Franc from the winery's estate vineyard and nearby W.S. Keyes Vineyard.

Highly acclaimed winemaker Chris Carpenter has been making wines on Howell Mountain for more than two decades. He has continued to prove himself a worthy descendant of those far-sighted pioneers, putting a wealth of knowledge and hard-won mountain winemaking experience to use in near-perfect conditions at La Jota, and earning a reputation for taming Napa Valley's mountain tannins.

For the first time ever, the La Jota team is proud to offer an exclusive 3-liter large format vertical of historic Cabernet Sauvignon, sourced from Howell Mountain. Sourced from vineyards sitting above the coastal fog between 1,700 and 1,820 feet in elevation, these small production wines from the 2011, 2012, 2013, 2014 and 2015 vintages will be an excellent addition to your cellar.

LOT 48

Lang & Reed Napa Valley

Epiphany in Saint-Émilion

Lang & Reed's exploration of Cabernet Franc took the team full circle with an inspirational visit to the ancient town of Saint-Émilion in France, on the Fourth of July in 1977. There, they were enthralled with the rich and inviting wines that are crafted in the region, where Cabernet Franc and Merlot play the lead roles and Cabernet Sauvignon a supporting one.

In 2004 and 2005, Lang & Reed crafted Right Bank Red Wine as an homage to that visit so that they could have something to drink to celebrate future wedding anniversaries.

The resulting wine is an assemblage of Cabernet Franc, Merlot, Petit Verdot and Cabernet Sauvignon from vineyards located in the heart of Napa Valley. Each vineyard site was selected to accent these different grapes' characteristics, so when brought together their individual attributes would lift each other harmoniously.

The team bottled a couple of 3-liter double magnums of each of the two vintages, and now Lang & Reed would like to share this rare bottling with you.

You can obtain one 3-liter bottle each of 2004 Right Bank and 2005 Right Bank. The two double magnums will be nested in a handcrafted redwood box.

Merryvale Vineyards

Instant Merryvale Magnum Cellar

Merryvale's Profile Estate Vineyard lies on an eastern ridge overlooking the Napa Valley at almost 1,000 feet of elevation. Planted in 1997, this vineyard consistently delivers grapes that stand out for their plush fruit character, complexity and silky tannins. In addition to providing the fruit for the winery's flagship red wine, Profile, the vineyard is also the source for its Saint Helena Estate Cabernet Sauvignon, which is available only at the winery and through its wine club. The Saint Helena Estate Cabernet Sauvignon displays an intense, dark character with well-proportioned and refined tannins. It is a stunning example of hillside Cabernet Sauvignon from Napa Valley.

This is your opportunity to collect six magnums from each of the 2013, 2014 and 2015 vintages. The wine was made using traditional Bordeaux methods. Hand-harvested, sorted in the vineyard and at the winery, the fruit was cold soaked with each lot fermented separately in small Rieger tanks using native yeasts. After a long and gentle extraction, the wine was put into primarily new French oak barrels for 22 months, and then bottled without fining or filtration.

With the ability to age for 15 years or more—and in magnums, even longer—this astonishing 18-magnum collection will be a much-loved selection from your cellar for the next decade and beyond.

Mt. Brave

Mt. Veeder Spectacular

The Mt. Brave winery is a tribute to those who settled the rugged terrain of Mount Veeder in the Napa Valley during the 1800s. Winemaker Chris Carpenter produces Cabernet Sauvignon, Merlot, Malbec and Cabernet Franc from our high-altitude estate vineyard. This wild and isolated winegrowing region features panoramic views, sparse soils, steep terrain and some of the lowest yields in the Napa Valley.

Among the tight-knit winegrowing community in the valley, no one understands the practical difficulties and spiritual rewards of mountain winegrowing more than Chris Carpenter. With an already legendary Napa winemaking record for Lokoya and Cardinale, Chris had little to prove when the Mt. Brave project began to evolve in 2007.

This amazing one-of-a-kind opportunity presents an exclusive four-year large format vertical of Cabernet Sauvignon, sourced from Mount Veeder. Sourced from vineyards sitting at 1,400 to 1,800 feet in elevation, these small-production wines ranging from the 2011 to 2014 vintages will be the perfect addition to your cellar.

As the winning bidder, you'll receive one 6-liter bottle of 2011 Mount Veeder Cabernet Sauvignon, as well as one 5-liter bottle each of Mount Veeder Cabernet Sauvignon from the 2012, 2013 and 2014 vintages.

LOT 55

Newton Vineyard

Weaving Horizontally Through the Cellar

Newton Vineyard founder Peter Newton believed in weaving his winery into the local landscape.

The terraced mountain estate has less than one-fifth of its nearly 500 acres planted to vines at elevations ranging from 500 to 1,600 feet above sea level. The non-farmed acreage remains in its native forested state, providing natural habitat for indigenous wildlife.

The winery was built to blend into the mountain and includes elements of the founders' native lands interwoven with the California environment—roses, a pagoda, a Japanese red gate, lanterns, a London phone booth and French gardens.

In the same spirit, it is no surprise that the team at Newton Vineyards is hoping you will “weave” some of its memorable wines into your cellar as well.

Your lot features a horizontal library collection of highly rated single vineyard Cabernet Sauvignon wines from Newton's estate vineyards—one case each of the 2015 Mount Veeder, 2015 Spring Mountain District and 2015 Yountville vintages.

5 Decades of Opus One

One of the rarest offerings of library formats ever offered from Opus One, this stunning collection of 6-liter imperials from very special vintages across five decades will enhance even the most complete cellar.

The classic red blends commissioned here include the 1979, 1987, 1991, 2001 and 2010 vintages.

OVID. Napa Valley

Something Wondrous and New

OVID Napa Valley represents 15 acres of California's most distinctive and dynamic terroir, located atop Pritchard Hill at an elevation of 1,500 feet. Here, winemaker Austin Peterson seeks a harmonic balance between tension and intention through long-lived wines that balance warmth and generosity with nerve, power and finesse.

The winery's name was inspired by the Roman poet, Publius Ovidius Naso (known as Ovid), whose *Metamorphoses*, a poetic retelling of the Greek myths, celebrates themes of transformation and change: "Partly we recovered the olde, familiar things, partly we created something wondrous and new." —OVID

This 10-year vertical collection, spanning the 2006 to 2015 vintages, is the first of its kind ever offered from the winery. As the winning bidder, you'll enjoy the opportunity to collect or taste through the early narrative of our flagship estate wine, OVID Napa Valley, described by *Vinous* as "one of the most exciting new entrants into the world of premium Napa Valley Cabernet Sauvignon."

Paradigm Winery

Rooted in Paradigm

Paradigm Winery is owned and managed by Ren and Marilyn Harris, two winegrowers with extraordinarily deep roots in Napa Valley. Marilyn's grandparents immigrated from Italy to Napa Valley in 1890, while Ren's family came to California in 1769.

In 1976, when they decided to purchase vineyards of their own, the Oakville nested appellation was the clear choice. Paradigm Winery was founded several years later and began producing wine with the 1991 vintage.

Ren and Marilyn hired a young and talented winemaker, Heidi Barrett, who has been with Paradigm since the beginning. They all felt a shared passion for making great wine, and a determination to preserve the small, family-owned style of winery that Napa Valley was built on. Every bottle you uncork was grown, crushed, fermented, barrel aged, bottled and stored on site.

Ren and Marilyn recently celebrated their 50th wedding anniversary, and now they want to share more good memories with you.

Enjoy this rare library selection of Paradigm Cabernet Sauvignon from the 2011 vintage. You will receive six standard 750ml bottles, three 1.5-liter magnums and once incredible 5-liter bottle. Even better, you will share a virtual tasting with Ren and Marilyn.

Patland Estate Vineyards

Spot-On

When Henry and Olga Patland purchased the Terra Del Cuore property in 2007, they quickly decided they wanted to make wine from the grapes on the estate. This was before they realized they were going to start Patland Estate Vineyards, when they simply wanted to have a little bit of their own wine to share with family and friends.

Javier Renteria, the vineyard manager who tends the estate vines to this day, introduced Henry and Olga to a winemaker named Jay Buoncristiani. Jay arrived with about a case of his own wine for Henry and Olga to try. Right away, the Patlands fell in love with Jay's wines and he was hired on the spot.

Together Jay and the Patlands recently celebrated their 10th vintage, and they would like for you to share in the fun. Patland Estate Vineyards is excited to share a vertical case of library Cabernet Sauvignon, including three bottles each of the 2009, 2010, 2011 and 2012 vintages.

PROMONTORY

A Visionary Hike Above Oakville

Promontory is a winegrowing endeavor taken on by the Harlan family in the Napa Valley. Recent in genesis, the seed of this vision traces its roots back to the nascent years of Harlan Estate. In the early 1980s while hiking along Oakville's southwestern ridge, H. William Harlan discovered an isolated territory. The hidden expanse—ancient and untamed—moved him deeply, but remained elusive until the Harlan family was finally able to capture it in 2008.

As the second generation, led by Will Harlan and director of winegrowing Cory Empting, explored and worked with the land, they began to make discoveries of their own. At the core of this wild terrain, they found a powerful geologic convergence, which had shaped its steep, rugged topography, and created the conditions for an altogether exotic winegrowing environment. Over time they found that the dramatic landscape—just beyond the edge of the known—would slowly change them, and ultimately inspire a new endeavor: Promontory.

The Harlan family invites you to share this momentous discovery with a remarkable six-vintage vertical that represents an evolution in understanding and discovery, as the mysterious character of this place begins to unfold.

Purlieu Wines

Teucer Enticement

Two back-to-back library vintages in multiple formats provide a rare glimpse into the heart of Purlieu Wines. This lot offers an opportunity for vintage and format comparison while showcasing the potential of 100% Coombsville Cabernet Sauvignon from its namesake single vineyard, the Teucer Vineyard.

Legendary wine critic Robert Parker didn't know much about the Teucer Vineyard when he tasted the 2013 and 2014 vintages, but he said, "[the wine] has certainly provided a compelling reason to find out more about [the Teucer Vineyard]."

Just a couple years later, Lisa Perrotti-Brown MW of Robert Parker's Wine Advocate called the 2016 vintage "just magic." Winemaker Julien Fayard heralds the Teucer Vineyard for its cool growing climate and complexity, giving these wines a long, layered drinking life of 25 to 30 years or more.

This well-regarded lot features a standard 12-bottle case of 2013 Teucer Vineyard Cabernet Sauvignon, as well as an etched 3-liter double magnum and a 6-liter imperial bottle.

Comfortable in Their Own Grape Skins

As you might have surmised, Reynolds Family Winery is, well, a family business. The team lives here and works here, and over the years has managed to fashion its collective dream into a wondrous life in the Napa Valley.

Reynolds' wines are driven by superior vineyard location, fanatical vineyard management, minimalist winemaking and a penchant for learning from experience. The team believes in harvesting at the peak of ripeness to create wines that are intensely flavored, luscious and approachable on release.

While the winery isn't as big or as famous as some of the wineries down the road, that suits the team just fine.

They sincerely hope you will relish the opportunity to experience Reynolds Family's Stags Leap District Reserve Cabernet Sauvignon across four vintages and three formats.

Shafer Vineyards

Ultra Rare Family Legacy Collection

John and Doug Shafer are one of the most renowned father-and-son winemaking duos in history.

In 1983, Doug joined the winery as winemaker, and when he tasted the 1982 lot from the Sunspot Vineyard block, he was so impressed that he talked his father into keeping it separate from the others. With the Sunspot lot, Doug then created Shafer's one-and-only Reserve Cabernet Sauvignon.

Just one short year later, however, Doug believed the Reserve deserved a better name and crafted the first Hillside Select with the 1983 vintage.

You can be a part of this family legacy as Shafer Vineyards is pleased to offer an ultra rare, 15-year vertical of Hillside Select. The bold, elegant beauty of every vintage from 2000 to 2014 is captured in a magnum (one bottle per year), offering a one-of-a-kind taste of some of Shafer's best-loved vintages.

Silver Oak

Lucky Number 6

Named in honor of Silver Oak co-founder Ray Duncan's lucky number, Silver Oak Six is a one-of-a-kind wine blended only in years when Mother Nature and luck align. Every year there are wine lots that stand out above the rest, but in some years—like the 2012 vintage— they deserve a wine of their own.

Crafted in the classic character and style of Silver Oak's Napa Valley Cabernet Sauvignon, this Cabernet-driven blend hails from the winery's finest estate vineyards, spanning the gentle sloping benchlands of Napa Valley's southeastern corner in the heart of the St. Helena nested appellation.

Deliciously rich Cabernet Sauvignon seamlessly integrates with the silky mid-palate of Merlot and the spice and earthiness of Cabernet Franc in this balanced and complex proprietary red blend.

The first vintage of Silver Oak Six from Napa Valley is a beautiful display of exceptional vineyard selections with an edgy composure. It has a slightly opaque garnet color and a nose of spearmint, cream soda, vanilla, molasses and black currant. The attack is seamless and round with flavors of fresh plum, chocolate and cocoa. Velvety tannins lead to a long finish with bright acidity. With proper cellaring, this unique bottling will provide drinking pleasure through 2039.

Your wine was aged for 24 months in 100% new American oak and is a blend of 54% Cabernet Sauvignon, 32% Merlot, 10% Cabernet Franc and 4% Petit Verdot, checking in at 14.5% alcohol by volume.

SODHANI Vineyards

Trio of TRB Cabernets

SODHANI Vineyards is a family owned, 6.5-acre hillside vineyard in St. Helena blessed with a unique terroir, making limited releases of phenomenal, handcrafted Cabernet Sauvignon wines. Due to the steep slope, the vineyard is entirely hand-farmed. The vines, planted in 2000 with Clones 7, 15 and 337, each have their own varietal characteristics and are in full maturity, producing spectacular fruit. When these clones come together in the finished wine, they make a powerful, classic Napa Valley Cabernet Sauvignon.

Your remarkable lot features a vertical of SODHANI Reserve Cabernet Sauvignon from the 2013, 2014 and 2015 vintages, passionately crafted by Thomas Rivers Brown (i.e., "TRB"), one of Napa Valley's top winemakers.

Thomas painstakingly produces gorgeous wines for SODHANI Vineyards, which are the true expression of the unique terroir and rare microclimate. His passion for handcrafting SODHANI wines begins with orchestrating the progress of the grapes in the vineyard. He decides the perfect time to pick each block based on ripeness, selects and matches new 100% French oak barrels for each block and clone, and then ages the wine for 20 months before blending to perfection.

A truly rare collection of six vintages of Spottswode Estate Cabernet Sauvignon in two formats, this vertical includes a magnum and a 750ml bottle of each vintage from 2010 through 2015, along with an exquisite six-bottle alder wooden box. Highlighting the Spottswode philosophy of honoring vintage and our unique site, each wine tells its story with the purity and elegance for which our estate is known. The 750s offer you the opportunity to enjoy now, while the magnums will cellar for many years to come.

2010: Stepping into the grace of adulthood, the 2010 remains both dynamic and captivating. Sagebrush, thyme and briar complement hints of dark cherries and ancho chili. A wine that continues to exude greatness.

2011: Few vintages in recent memory evoke the classic, claret-like character of Cabernet Sauvignon more than the 2011. Red fruits, savory herbs, fraises des bois, conifer and wet earth only scratch the surface of this beautiful wine.

2012: Expressing immense freshness and energy, the 2012 melds blackberry fruit and vibrance with more mature characters of damp earth, dried sage and cigar box. Drinking beautifully now with much more to come.

2013: Tightly knit and destined for a long and distinguished life, you will find an explosion of deep red raspberries, marionberry, fresh herbs and roses. Unwaveringly precise, structural and tense—a lengthy decant is recommended!

2014: Characterized by silken, velvety tannins along with bramble, blueberry and black cherry. Damp clay and cocoa powder, violets and fresh herbs add intrigue. Textural, rich and poised, this wine will continue to age gracefully for years to come.

2015: A stunning wine to end this collection, the 2015 exudes raw energy and brightness. Mouthwatering red fruits are accompanied by graphite, red roses, marjoram and cedar. A palate loaded with depth, a tight core and robust acidity, it radiates power and spirited intensity.

LOT 85

Stags' Leap Winery

Ne Cede Malis

Ne Cede Malis (Latin for “don’t give in to misfortune” and pronounced Nay KAY-deh Mah-lees) was the family motto of Stags’ Leap founder Horace Chase and a befitting moniker for this southern Rhine-style wine. The old-field-blend vineyard, first planted in 1929, has survived various bears and bulls but somehow continues to give a small crop of grapes with concentrated aromas, flavors and the telltale Stags’ Leap firm-but-soft structure.

Ne Cede Malis, sourced from the oldest block on the estate, is predominantly Petite Sirah, though it includes at least 15 other varieties in small amounts. Year after year, this gracefully aging block produces a small lot of wine—a truly unique field blend that simply could not be produced anywhere else.

Taking a minimalist approach, winemaker Christophe Paubert likes to say that he “guides” rather than “makes” Ne Cede Malis. The carefully tended head-trained vines in this 5-acre single block include Petite Sirah, Carignane, Mourvèdre, Grenache, Peloursin, Syrah and even Muscat and Sauvignon Blanc, among others.

After handpicking, the grapes were co-fermented, undergoing a short maceration prior to aging in American oak barrels (30% new) for 14 months. The oak’s spiciness, which could overwhelm a delicate wine, is easily handled and helps enhance the strength and depth of this powerful variety.

You can experience the phenomenon of Ne Cede Malis yourself, as this lot includes a six-year vertical of six standard bottles each of the 2010, 2011, 2012, 2013, 2014 and 2015 vintages.

The Debate

No Doubt About It

Wines, like people, are a reflection of their origin and evolution. The Debate began in 2010 when two friends, Jean Hoefliger and Rob McKay, brought their unique perspectives together to create thought-provoking and delicious wines that extend beyond the sense of taste to the thrill of telling stories and the art of listening. The Debate's mission is to bring people together to share a glass of wine, to discuss and debate, just as their team does.

However, there is no debate here—this is a stunning lot that any wine lover would be proud to own.

Your lot includes a trio of vertical 3-packs from the 2013, 2014 and 2015 vintages.

Each 3-pack includes one bottle of each single vineyard Cabernet Sauvignon from Beckstoffer Missouri Hopper, Beckstoffer To Kalon and Beckstoffer Dr. Crane Vineyards.

But there is more.

You also have the special opportunity to acquire a quartet of large format bottles—3-liters of 2014 and 2015 Beckstoffer Dr. Crane Vineyard Cabernet Sauvignon, and 2014 and 2015 Beckstoffer To Kalon Vineyard Cabernet Sauvignon.

The Mascot

Latest in the Legacy

Made from the younger vines of Harlan Estate, BOND, and Promontory, The Mascot shares a unique glimpse into the evolution of its winegrowing estates.

The Mascot began early on as an experiment, crafted with a few spare barrels of wine. Before it had a label or a name, it was just a wine shared with friends and family.

All grown up now, this Cabernet Sauvignon is a hedonistic blend of power and balance; expressive and approachable early in its life, with potential to evolve well into the future. Ready to drink upon release, it will age for decades given the opportunity. Opportunity is the key word here—you have an extremely rare chance to acquire not one, but two 3-liters of this treasured wine from the 2013 and 2014 vintages.

Wines:

2013 & 2014 Cabernet Sauvignon
Napa Valley

2 Double Magnums (3L), 1 from each vintage

Thomas Rivers Brown Joint Lot

Lucky 13

Thomas Rivers Brown has created some of Napa Valley's most lauded wines, and no other winemaker has received so many perfect scores from so many critics. We think you'll agree that this collection, from 13 different wine programs, is the motherlode.

The wineries participating in this memorable collection include Aloft Wine, Casa Piena, Gemstone, Hestan Vineyards, Jones Family Vineyards, Mending Wall, Pulido Walker, QTR, Round Pond Estate, Schrader Cellars, The GRADE Cellars, Vermeil Wines and Wallis Family Estate.

Thomas Rivers Brown's approach to winemaking is both modern and admirably classic. His philosophy is natural and non-interventionist, and his wines are beautifully crafted, rich and expansive. There are common themes that run through all of his wines - complexity, graceful balance and generosity of flavors. From Calistoga to Carneros, from Coombsville to Diamond Mountain, from mountain hillsides to the valley floor, his wines speak of the singularity of the vineyards, their soils and the growing conditions of the year in which they were produced. When asked what his biggest influences are when crafting a Cabernet, Thomas says, "Well, I tend to model a Cab on all the different wines I've tasted. In the back of my brain I've got memories of past vintages I love that shape my style. Wines from the late '60s and early '70s have been a constant model."

In Thomas' wine world, it's all about creating the best.

"Wine is a documentary of so many interconnected parts - the land and its soils, the period of time in which it was grown and made, and the actions of the people dedicated to its production. It is the combination of these that make wine so interesting."

The Vice

Valuable Vice

The Vice is a Napa Valley luxury wine brand made in small batches. It is about as personal of a brand as it gets. Everything is done by the founders. They drive the truck to get their fruit. They crush, bottle, label and do everything by hand when possible. They design the labels, work the market, and sell the wine. The Vice team believes that the best wines in the world aren't the most expensive ones. Rather, the team strives to produce the best quality wine at the best value.

Your considerable lot includes 10 cases—an astounding 120 bottles—of 2015 Mount Veeder Extra Añejo (extra aged) red blend. This wine was aged 60 months in fine French oak and is comprised of 61% Cabernet Franc, 37% Cabernet Sauvignon and 2% Merlot, covering the bases of three of your vices!

LOT 91

Viader Vineyards & Winery

Viader's "Liquid Cashmere" shows the typicity and consistency of the estate, with its firm structure influenced by the steep and very rocky volcanic red soils of the eastern slopes of Howell Mountain, and the familiar elegance and harmony created through the combination of Cabernet Sauvignon and Cabernet Franc.

Your lot features a remarkable three-year vertical made up of eight standard bottles from the 2013, 2014 and 2015 vintages. But Viader also wants to share some of its collection from earlier this century.

The 2006 vintage of "V" showcases the Petit Verdot grape with its very dense, almost inky color and high natural acidity. Each year "V" is blended and aged over two years in new French oak barrels with its more recognized cousin, Cabernet Sauvignon, to express the uniqueness of the vintage. Due to the very small size of the Petit Verdot plantings, this wine will always be short on production, but long on personality.

Your 2006 3-liter is one of only a few left signed by the wine-maker.

The 2005 Viader Auction Napa Valley Cabernet Sauvignon, meanwhile, is a one-of-a-kind wine produced specifically for Auction Napa Valley. This six-pack includes bottles numbered 97 to 102 of only 120 produced.

Wines:

2006 Red Blend, V

Your opportunity to share in their dream has become a reality. This extraordinary offering of Diamond Mountain District wines features an incredible vertical with vintages and formats no longer available to the public. LOT 95

William Cole Vineyards

Family Cuvée for You

When William and Jane Ballentine bought a 19th century ghost winery in St. Helena in 1999, little did they know it would take them years to open its doors, which had been shuttered since Prohibition. By 2004, they had completed restoration and opened a fully operational winery.

Perhaps this long-term commitment to the project and to each other is why “family” is the most prevalent theme woven throughout William Cole Vineyards.

The winery itself is named after William and his son, Cole. Their flagship wine, Cuvée Claire, is named for their daughter.

Your opportunity to become part of the family is presented with two bottles from each of the 2010 to 2015 vintages of Cuvée Claire Cabernet Sauvignon. Fewer than 800 cases of this wine, which is 100% Cabernet Sauvignon, are produced each year.

Additionally, as the winning bidder you will be treated to a virtual winetasting for four with William, a fourth-generation winemaker. You'll taste different wines from the William Cole portfolio that will be shipped to your home. Dates of your tasting are to be mutually agreed upon (excluding September and October) and redeemed by February 2022.

Wines:

2010 - 2015 Cabernet Sauvignon, Cuvée Claire
Napa Valley

12 Bottles (750ml), 2 from each vintage

ZD Wines

Solera Celebration

Founded in 1969, ZD Wines is owned and operated by the deLeuze family. ZD Wines is a family business that is committed to producing world-class wines. This year the team celebrates 50 years of winemaking, with the second and third generations of the deLeuzes carrying on the family legacy.

And now you can find more than half of the winery's vintages in one magnificent bottle of wine.

As the winning bidder, you'll be delighted to receive a limited-production 3-liter of Abacus XXII, a multi-vintage, solera-style wine.

ZD's pinnacle wine is a blend of every single vintage of Reserve Cabernet Sauvignon produced from 1992 to 2019. It is an artful blend of the complexity and depth of older wines infused with vibrant younger wine. This wine is 100% Napa Valley Cabernet Sauvignon, and fewer than 20 of these amazing 3-liters were produced.
